April 25, 2023

For Immediate Release:

The Howard County Democratic Party is pleased to announce that we will provide lunch to all election workers at the polls for the May Primary Election. Regardless of party affiliation, we want to recognize our community members who are overworked and underpaid, often criticized and disrespected, yet are critical to our free and fair elections process.

With the help of our caterers, Bruno's Pizza and The Radish Market & Cafe, we will provide lunches to all who have chosen to help Howard County's democratic process. We want to encourage you all to not only vote on May 2 this year but say "thank you" to our valued election workers.

Thank you,  
Howard County Democratic Party Election & Finance Committee
